MEETING 2019

BSG announces our French Fellowship Awards

BSG is proud to welcome our French counterparts to BSG 2019 in Glasgow from 17 - 20 June.

For the first time in its history BSG will be hosting two joint symposia with our French colleagues on Wednesday 19 June. This includes '*Risk management in IBD and what to do next - therapeutic options when anti-TNF fails*'.

Members of GETAID are encouraged to submit an abstract for the meetings, details can be found on www.bsg2019.org.

We are also excited to offer four travel bursaries up to £500 to authors of successful abstract submissions.
